|---|-----|
| Welcome addresses..... | 9 |
| Liz Charman, Pro-Vice Chancellor, London Metropolitan University..... | 9 |
| Christiane Lange-Küttner, London Metropolitan University, Conference Chair..... | 10 |
| Hans-Peter Langfeldt, Goethe University Frankfurt, 60 Years of TEAP - In Memoriam Heinrich Dueker..... | 12 |
| Keynote Speaker Day 1 David Shanks, UCL 'Testing your memory: The many consequences of retrieval on long-term learning and retention'..... | 16 |
| Keynote Film..... | 16 |
| ABSTRACTS DAY 1..... | 17 |
| Meta-Cognition (Symposium)..... | 17 |
| Psychophysiological Correlates of Effort-related Processes (Symposium)..... | 21 |
| Priming (Individual Talks)..... | 25 |
| Perception (Individual Talks)..... | 30 |
| Executive Function: Multi-Tasking (Individual Talks)..... | 35 |
| Decision-Making 1 (Individual Talks)..... | 39 |
| POSTER SESSION 1: Perception and (Working) Memory..... | 45 |
| POSTER SESSION 2: Emotion, Agency, and Learning..... | 64 |
| POSTER SESSION 3: Attention..... | 91 |
| Recent Findings from Experimental Studies on the Re-occurrence of Repetitive Negative Thoughts (Symposium)..... | 102 |
| Neuro-cognitive Control Mechanisms in Human Multi-tasking (Symposium)..... | 107 |
| Advances in Auditory Distraction Research (Symposium)..... | 111 |
| Motivation and Interest (Individual Talks)..... | 116 |
| Conditioning (Individual Talks)..... | 121 |
| Virtual Reality, Simulations and Games (Individual Talks)..... | 125 |
| Motor Control (Individual Talks)..... | 128 |

| | |
|---|-----|
| KEYNOTE SPEAKER DAY 2 Jutta Mueller, Universität Osnabrück 'Ontogenetic and phylogenetic roots of grammar learning' | 132 |
| ABSTRACTS DAY 2..... | 133 |
| Cognitive Processes in Categorization Decisions (Symposium) | 133 |
| Experimental Aesthetics 1 (Symposium)..... | 138 |
| Cognitive Modeling in Experimental Psychology (Symposium)..... | 142 |
| Learning (Individual Talks) | 148 |
| Social Psychology (Individual Talks) | 153 |
| Decision-Making 2 (Individual Talks) | 157 |
| POSTER SESSION 1: Decisions and Cognitive Control..... | 162 |
| POSTER SESSION 2: Eyetracking and Neuroscience | 182 |
| POSTER SESSION 3: Language | 212 |
| Rethinking Source Memory and Guessing: General Mechanisms and Determinants (Symposium) | 224 |
| Experimental Aesthetics 2 (Symposium)..... | 229 |
| Emotion 1 (Individual Talks) | 233 |
| Memory (Individual Talks)..... | 236 |
| Neuroscience (Individual Talks) | 241 |
| Language (Individual Talks)..... | 245 |
| KEYNOTE SPEAKER DAY 3 John Duncan, MRC Cognition and Brain Unit, University of Cambridge 'Fluid intelligence and cognitive control' | 257 |
| Keynote Film | 257 |
| Abstracts Day 3 | 259 |
| Current Trends in Implicit Learning Research (Symposium) | 259 |
| Visual Attention's Three Guides (Symposium)..... | 263 |
| Morals (Individual Talks) | 268 |
| Feedback (Individual Talks) | 271 |
| Methodology (Individual Talks) | 276 |

| | |
|--|-----|
| Can imitation, observation, and joint action be socially modulated? A cross-paradigm & meta-analytical perspective (Symposium) | 281 |
| Uncovering Cognitive Processes using Mouse-tracking: Novel extensions and Applications (Symposium)..... | 285 |
| Testing Your Memory: Current research on the Forward Testing Effect and the Benefits of Unsuccessful Retrieval (Symposium)..... | 290 |
| Emotion 2 (Individual Talks) | 294 |
| Executive Functioning: Control (Individual Talks)..... | 299 |
| Attention (Individual Talks) | 303 |
| INDEX | 308 |
